

CUSTOMER:

Parque Logístico de Córdoba S.A.

CONTRACT:

Project

BUDGET:

5.959.731,00 €

DATE:

2008

Description:

This project is for an Attention and Services building to be built in the Transport Centre, which will constitute the landmark for the area.

The usage of the building is tertiary, and its purpose is to provide services to the public, business and organisations, such as different types of retail, information, administration, management, financial activities, insurance, etc.
